Thu. Sep 12, 2019 12:00 PM - 5:30 PM Room PS-1 (Common Education Bldg. 1F A22)

12:00 PM - 5:30 PM

[2PS-101]Poster Session 1

As usual, the Student Poster Session is going to be held by the student network. There is a diversity of posters from various research fields by undergraduate and graduate students in the session. This is also a good opportunity to extend your network because everyone can join until the last day. Please come to see the posters.
