[2Z_PS]Poster Session of Student Network: Part2

The Student Poster Session organized by the AESJ Student Network will be held at Ibaraki University's Hitachi Campus. Many students from all over Japan will present their research and student activities. The presentation schedule is Wednesday, September 7 and Thursday, September 8, from 14:45 to 16:15 on both days, and we hope that students will be motivated to discuss with as many experts as possible. If you have time, please join us. Please register in advance on the Student Network website for the attendance (http://www.aesj.or.jp/student/poster.html), which will be announced in mid-August.
