[2A_PL]Contribution of "Knowledge" of the Atomic Energy Society of Japan to "Energy well-being"

Chair: Yuichi Niibori (Tohoku Univ.)

Thu. Mar 17, 2022 1:00 PM - 2:30 PM Room A

[2A_PL03]Discussion

Akira Yamaguchi¹, Yoshitaka Nishino², Ekou Yagi³, Tatsuhiro Kamisato⁴, Chair: Yuichi Niibori⁵ (1. Utokyo, 2. Tsukuba Univ., 3. Osaka Univ., 4. Chiba Univ., 5. Tohoku Univ)

With the aim of confirming the direction of the efforts of AESJ, this session will focus on "Energy well-being", receive lectures from inside and outside the society, and hold a comprehensive discussion. This is important in considering the roles that should be played in future AESJ, and also in communicating the basic stance to those who are considering joining AESJ.
