Co-Chair: Petra Aswendt (ViALUX GmbH)

Fri. Nov 29, 2019 9:00 AM - 10:35 AM Room 108 (1F)

9:40 AM - 10:00 AM

[PRJ4-3(Invited)]New Concept Ultra Short Throw Projector for Consumer

*Ryutaro Otake¹, Misa Sakurai, Masakatsu Ito, Hiroshi Nakade, Yuuji Taniue, Masaru Matsumori (1. Panasonic Corporation (Japan))

Keywords:Ultra short throw, Projector, High brightness, huge screen, compact body

Flat panel TV gradually shifts to large screen size like 65" because the price of large screen TV goes down. However our living space doesn't enlarge. So flat TV influences on interior design much more. To solve such kind of problems we suggested a new concept projector for consumer.
