Room:315

Time:May 1 17:45-18:00

The Great Kanto Earthquake (of 1923) and YOKOHAMA (1)

NISHIZAWA, Masaru^{1*}

 1 none

- 1. The reinforced cocrete buildings has been complated the leadership factions after The Great Kanto Earthquake (of 1923).
- 2. The YOKOHAMA Civilization Colour Print was important mediums of the YOKOHAMA exoticim and cultures.

Keywords: The Great Kanto Earthquake (of 1923), Yokohama, Open a port, YOKOHAMA civilization color print, The reinforced concrete building

東西、南北の波の位相は逆転していることは他と同じで、水平方向に建物に対して回転力(又はねじれ)が生じることが判る。

主要動以後の波形は波うっていることは他と同様。

しかし、上下動も多少は波うってはいるが、 東西、南北に比べると小さい。
