Theme of Unzen Volcanic Area Global Geopark (Unzen Geopark hereafter) is "coexistence of an active volcano and human beings". Volcanic eruptions of Mt. Unzen have brought local inhabitants serious disasters repeatedly. However, the people continue living near the active volcano of Mt. Unzen and bring up original culture there. If you visit Unzen Geopark, you can learn why local inhabitants living in Shimabara Peninsula have stay near the active volcano through experiences. In this presentation, I introduce some education plans to learn a relation between active volcano and human beings in Unzen Geopark efficiently.
