[JJ] Evening Poster | M (Multidisciplinary and Interdisciplinary) | M-GI General Geosciences, Information Geosciences & Simulations

## [M-GI30]Social media and earth and planetary sciences

convener:Kazuo Amano(Department of Environmental Sciences,Ibaraki University), Takashi Oguchi(Center for Spatial Information Science, The University of Tokyo), Masaki Ito(東京大学生産技術研究所, 共同), Kayoko Yamamoto(University of Electro-Communications)

Sun. May 20, 2018 5:15 PM - 6:30 PM Poster Hall (International Exhibition Hall7, Makuhari Messe)

The utilization of social media for earth and planetary sciences has been developed rapidly in recent years. We would like to call for the papers on case studies, development of methods, reviews, application to environmental problems and disaster prevention/mitigation.
