## [O06-P12]The reorganization of the geosite in Shimonita Geopark

\*Hara Hideo<sup>1</sup>, Iwai Minoru<sup>1</sup>, Sekiya Tomohiko<sup>1</sup>, Katayama Miyuki<sup>1</sup> (1.Geopark shimonita council)

Keywords:Geopark, Shimonita

Shimonitda town located in Southwest Gunma is a town registered with a world heritage and the Japanese Geopark. Shimonita town work on the citizen-based town planning that utilized community resources.

There is a re-authorization system to reevaluate the activity in the Geopark once in four years.

The Shimonita Geopark got a result of the conditioning authorizationby reexamination. of 2015. It was settled, and the condition was authorized again in 2017.

One of the problem conditioning authorization is management of the geosites. We announce the thing that we worked on about the management problem of the geosite in two years.
