

What do we need to do fun geotours that interests the earth?

*kana nishitani¹

1. Global nature club

I think that guides need to improve interpretation skills in order to make customers fun and make feel be on the earth.

I will apply my daily guide to the four elements "①Theme ②Organized ③Relative ④Enjoyable" which are said to be necessary for the interpretation, will organize it. And I will consider what is important for geo guide.
