

## Six Years from the Great East Japan Disaster –Achievements and Regrets in GLP Context

\*Yukio Himiyama<sup>1</sup>

1. Emeritus Professor, Hokkaido University of Education

The Great East Japan Disaster triggered by the M 9.0 earthquake and the subsequent gigantic tsunami of 11th March 2011 has left huge changes on the land, its use and the environment, as well as many other things, and there have been a lot to be learnt, discussed and practiced. The paper discusses what have been actually achieved and what haven' t in the context of GLP (Global Land programme) core project of Future Earth.

Keywords: Great East Japan Disaster, GLP, Future Earth
