1. Izu Peninsula Geopark Promotion Council

Izu Peninsula Geopark became a member of Japan Geoparks Network in 2012. Since that time, we have held many kinds of events and meetings based on geoscience. Izu Peninsula Geopark Rogaining Game is one of successful cases in these events.

I will introduce this event and try to think about relationship between geopark and rogaining-future topics and developments.

Keywords: geopark, sports, rogaining
