Special Symposium | Special Symposium | Innovative Plasma Science and Technology toward Future Society - From Semiconductor to Medicine, Agriculture and Space Exploration -

## [18p-331-1~7]Innovative Plasma Science and Technology toward Future Society - From Semiconductor to Medicine, Agriculture and Space Exploration -

Mineo Hiramatsu(Meijo Univ.)

Tue. Sep 18, 2018 1:30 PM - 5:30 PM 331 (International Conference Room)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

---

2:45 PM - 3:15 PM

## [18p-331-3]Plasma Processing Technologies for Future Semiconductor Devices

OTetsuya Tatsumi<sup>1</sup> (1.Sony Semiconductor Solutions Corporation)

Keywords:plasma
