
Special Symposium | Special Symposium | Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

[9p-70A-1~9]SP4 Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

Satoshi Tanimoto(Nissan ARC), Koichi Nishikawa(Toyota Central R&D Labs., Inc.)

Sat. Mar 9, 2019 1:00 PM - 5:30 PM 70A (70th Anniversary Auditorium)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

1:20 PM - 2:10 PM

[9p-70A-3]Trend in Packaging Technology and Quality Concern for Electrification and Intelligent Automotives

○Yoshikazu Horii¹ (1.Nissan Motor)

Keywords:electrification, packaging, intelligent mobility
