Special Symposium | Special Symposium | Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

## [9p-70A-1~9]SP4 Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

Satoshi Tanimoto(Nissan ARC), Koichi Nishikawa(Toyota Central R&D Labs., Inc.)

Sat. Mar 9, 2019 1:00 PM - 5:30 PM 70A (70th Anniversary Auditorium)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

---

2:40 PM - 3:10 PM

## [9p-70A-5]Trend in Development of Solid State Battery for Electrification of Automotives

OKazunori Takada<sup>1</sup> (1.NIMS)

Keywords:all-solid-state battery, solid electrolyte, lithium battery
