

Special Symposium | Special Symposium | Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

## [9p-70A-1~9]SP4 Accelerating Trend to Electrification of Vehicles - Concerned Development of Battery, Power Semiconductor, Motor and System -

Satoshi Tanimoto(Nissan ARC), Koichi Nishikawa(Toyota Central R&D Labs., Inc.)

Sat. Mar 9, 2019 1:00 PM - 5:30 PM 70A (70th Anniversary Auditorium)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

---

3:10 PM - 3:40 PM

## [9p-70A-6]Required Performance for Power Devices in Electrification of Automotives and Expectation to SiC devices

OTomohide Terashima<sup>1</sup> (1.Mitsubishi Electric)

Keywords:silicon carbide, power device, electrification
