
Symposium (Oral) | Symposium | The Third-generation dissimilar materials bonding and its application to the film growth control: Interface nano-kubernetes

[8a-Z06-1~5]The Third-generation dissimilar materials bonding and its application to the film growth control: Interface nano-kubernetes

Toshiyuki Kawaharamura(Kochi Univ. of Tech.), Hiroaki Nishikawa(Kindai Univ.)

Tue. Sep 8, 2020 9:00 AM - 11:30 AM Z06

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

9:00 AM - 9:05 AM

[8a-Z06-1]Opening

○Tetsuya Yamamoto¹ (1.Kochi Univ. Tech.)

Keywords:dissimilar materials bonding, Interface nano-kybernetes
