
Symposium (Oral) | Symposium | The Third-generation dissimilar materials bonding and its application to the film growth control: Interface nano-kubernetes

[8p-Z06-1~9]The Third-generation dissimilar materials bonding and its application to the film growth control: Interface nano-kubernetes

Tetsuo Tsuchiya(AIST), Tetsuya Yamamoto(Kochi Univ. of Tech.), Takashi Kita(Kobe Univ.)

Tue. Sep 8, 2020 12:30 PM - 4:50 PM Z06

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

4:45 PM - 4:50 PM

[8p-Z06-9]Closing Remarks

○Hiroaki Nishikawa¹ (1.Kindai Univ.)

Keywords:dissimilar materials bonding, thin film growth, interface
