

Symposium (Oral) | Symposium | Nano-cybernetics of interface bonded at room or low temperature and ultra thin films at heterojunction interface

[14a-A201-1~8]Nano-cybernetics of interface bonded at room or low temperature and ultra thin films at heterojunction interface

Hiroaki Nishikawa(Kindai Univ.), Tetsuya Yamamoto(Kochi Univ. of Tech.)

Sat. Mar 14, 2020 9:00 AM - 12:15 PM A201 (6-201)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

9:00 AM - 9:05 AM

[14a-A201-1]Introductory Talk

○Tetsuya Yamamoto¹ (1.Kochi Univ. of Technol.)

Keywords:room or low temperature bonding, Thin film growth, Interface
