

Symposium (Oral) | Symposium | Nano-cybernetics of interface bonded at room or low temperature and ultra thin films at heterojunction interface

[14p-A201-1~8]Nano-cybernetics of interface bonded at room or low temperature and ultra thin films at heterojunction interface

Tetsuo Tsuchiya(AIST), Takashi Kita(Kobe Univ.)

Sat. Mar 14, 2020 1:45 PM - 5:20 PM A201 (6-201)

△ : Presentation by Applicant for JSAP Young Scientists Presentation Award

▲ : English Presentation

▼ : Both of Above

No Mark : None of Above

5:15 PM - 5:20 PM

[14p-A201-8]Closing Remarks

○Takashi Kita¹ (1.Kobe Univ.)

Keywords:room or low temperature bonding, Thin film growth, Interface
