[MP2-03]The Creation of “ Investment Crowdfunding Platform for Non-Profit Organization”

Yusaku Izumi (KOKUA)

We are planning to create to “ Investment Crowdfunding Platform for Non-Profit Organization” . This platform supports non-profit organization with corporate social activity costs and general consumer philanthropy. We are sure it will make an innovation.

The presentation will explain about “ what is this” , “ why do we make it” and “ What is different from the current system”.
