## [MP2-03]The Creation of "Investment Crowdfunding Platform for Non-Profit Organization"

Yusaku Izumi (KOKUA)

We are planning to create to "Investment Crowdfunding Platform for Non-Profit Organization". This platform supports non-profit organization with corporate social activity costs and general consumer philanthropy. We are sure it will make an innovation.

The presentation will explain about "what is this", "why do we make it" and "What is different from the current system".
